Each of the Bidders (and each individual Member of a Joint Venture (JV)/Consortium, in case of a Joint Venture (JV)/Consortium) must submit an undertaking to this effect. The Undertaking shall state that the Joint Venture/ Consortium shall set up a manufacturing plant facility in Punjab with a minimum dedicated capacity of 7 MT per day of the Multisev (Ready to Eat) within 3 (three) months from the date of execution of the Contract.</p>

S no.	Clause No & Page No.	Clause as per Tender Document	Clause Amended / Clarification
		Undertaking shall state that the Joint Venture/ Consortium shall set up a manufacturing plant facility in Punjab with a minimum dedicated capacity of 7 MT per day of the Multisev (Ready to Eat) within 3 (three) months from the date of execution of the Contract.	
8.	Section 9, (Eligibility Criteria For Bidders) Clause no. 9.3 Point 6. (e) Page No. 28	Eligibility Criteria In case of an MSME / Startup, hold the requisite registration or proof of such status. Supporting document License under Factories Act/ Udyog Aadhaar / Udhyam Registration Certificate issued by the Ministry of MSME duly verified by the General Manager, District Industries Centre of the concerned district, confirming the unit's location within Punjab and its MSE status.	Clause will be amended as : Eligibility Criteria In case of an MSME / Startup, hold the requisite registration or proof of such status. Supporting document License under Factories Act, Udyog Aadhaar / Udhyam Registration Certificate issued by the Ministry of MSME duly verified by the General Manager, District Industries Centre of the concerned district, confirming the unit's location within Punjab and its MSE status.

Rest of the terms and conditions of the RFP will remain same.

ANNEXURE O– Eligibility for Fully Automated Plant

(On Chartered Engineer Letterhead)

Certificate No.:

Date:

The **<Name of the Bidder>** currently owns and operate a Fully Automated Manufacturing Plant at **<Address and Location of the Plant>** for the **< Product Manufactured>** is operational form **<Date of Operationalization>**.

The plant and machinery proposed for execution of the contract under this RFP is fully automated on an end-to-end basis, covering all major stages including material handling, processing, packaging, and sealing etc.

- Details of plant & machinery
- Installed production capacity (per day in MTs)
- Level of automation (Fully Automated on end-to-end basis)

Supporting Documents:

- Process flow diagram indicating automation and human intervention points (if any)
- Machine-wise technical specifications
